Black Tie Club International

2024 Membership: Palm Springs Chapter

You are invited to be a member of the **Palm Springs Chapter** of **Black Tie Club International** – a private, international club of professional people. Membership is by invitation only on a yearly basis. All members receive notices of local cocktail parties and dinners as well as our International Annual Event, special trips and our International newsletter. Black Tie Club International sponsors various dinners and events, and photos of those attending are often taken for publication in the BTCI publications. Members need to recognize that their image from these events may be included in the publications. If any member does not want their photo included in a publication, they should not pose for any photo and they should also advise anyone taking these photos to not include them.

This application is a (please check one): ☐ renewal (2023 member) ☐ new member ☐ transfer or lapsed member
